### An Ordinance Creating the Gloucester Affordable Housing Trust Fund

Article VI, Division 4, Sections 2-601 – 2-615

#### Sec. 2-601. Gloucester Affordable Housing Trust Fund - Purpose.

The Commonwealth of Massachusetts has recently enacted legislation clarifying the ability of municipalities to create Affordable Housing Trust funds by enacting Section 55C of Chapter 44 of the Massachusetts General Laws; and

due to the high cost of housing, it is becoming harder to maintain economic diversity in the housing stock of the City of Gloucester; and

this rising cost affects the ability of all ages of Gloucester residents to remain in Gloucester as well as affecting the ability of the City to attract new residents of all age ranges; and

the City of Gloucester is dedicated to providing diversity in housing, which diversity includes economic diversity; and

by adopting this Affordable Housing Trust Fund ordinance, it will allow flexibility in addressing the needs of the city in a regulatory and problematic fashion.

#### Section 2-602. Same - Policy of the City of Gloucester.

It is the policy of the City of Gloucester to support the creation, preservation and maintenance of affordable housing. In doing so, it is also the policy of the City of Gloucester to protect, preserve, and enhance the economic and social diversity of the City, to provide affordable rental and homeownership options for people of all ages and income levels, and to accommodate the changing housing needs of families and individuals. The Gloucester Affordable Housing Trust Fund is created to promote this policy.

#### Section 2-603. Same - Establishment of the Gloucester Affordable Housing Trust Fund.

There is hereby created the Gloucester Affordable Housing Trust Fund in accordance with Massachusetts General Laws Chapter 44, Section 55C, as now or hereafter amended or superseded. The Gloucester Affordable Housing Trust Fund shall hereinafter be known as the Trust.

#### Section 2-604. Same - Definition.

Board Members and Trustees shall both mean members of the Board of the Trust, which terms maybe used interchangeably.

#### Section 2-605. Same - Membership.

Acting under the authority of M.G.L. Chapter 44 Section 55C, there is hereby created a Board of Trustees for the Trust established pursuant to Sections 2.604 through 2.615 of the Code of Ordinances of the City of Gloucester, Massachusetts for the purposes set out in the M.G.L. Chapter 44, Section 55C. The Board shall include no fewer that five (5) Trustees, including the Mayor, ex officio, or his or her written designee, ex officio. The remaining Trustees shall be appointed by the Mayor and approved by the City Council for a term not to exceed two years.

The Board Members shall have knowledge or expertise in areas including, but not limited to, affordable housing, real estate, real estate finance, or housing construction. The Mayor, however, shall not be required to appoint Board Members from all of these areas of knowledge or expertise, but shall only be required to make his or her best effort to find persons that meet this requirement. In addition, the City of Gloucester Community Development Director shall serve as an ex officio Trustee.

#### Section 2-606. Same - Terms of the Board Members; Election of Officers.

- (A) The terms of the Board Members set out in Sections 2-605 and 2-606 shall be two (2) year terms; provided, however, that for the appointment of the initial Board Members, three (3) members shall be appointed for one (1) year, and the remaining Trustees for two (2) years. The Board Members shall serve until their successors have been appointed and qualified. The Mayor, however, shall serve for his or her entire term of office as Mayor. The Mayor's written designee shall serve for the term of his or her written designation, which may be amended or revoked at any time in writing. The Community Development Director shall serve for the entire term of his or her employment as Community Development Director.
- (B) Pursuant to Section 7.5 of the Charter of the City of Gloucester, Massachusetts, every appointment to the Trust shall begin on the fifteenth day of February for the term specified in this Article and shall continue until a successor is chosen and qualified as specified in this Article, but in no case longer than six (6) months when the office shall be declared vacant.
- (C) The Board shall, annually, elect a Chairman and Vice-Chairman of the Board at the first regularly scheduled meeting after February 15.

#### Section 2-607. Same - City Board.

The Trust is a board of the City for purposes of M.G.L. Chapter 30B (Uniform Procurement Act) and Section 15A of M.G.L. Chapter 40 (Transfers of Land); but agreements and conveyances between the Trust and agencies, boards, commissions, authorities, departments and public instrumentalities of the City shall be exempt from said Chapter 30B.

#### Section 2-608. Same - Removal of Trustees.

Pursuant to Section 7.14 of the Charter of the City of Gloucester, Massachusetts, any Trustee may be removed from the Board and have his or her place declared vacant for the reasons set out in and under the procedures set out in said Section 7.14.

Mayor's Office

Dear Mayor Kirk,

I respectfully request to be reappointed to the Gloucester Housing Authority Board of Commissioners. My mission along with the Gloucester Housing Authority is to provide adequate affordable housing, economic opportunity and a safe environment free from discrimination.

I have collaborated with our residents in setting policies; voted for comprehensive improvements and renovations of our public housing. I have searched out new locations for furthering housing; and suggested the property for our present Gloucester Housing Authority offices.

I have been most fortunate in having the opportunity to work with the GHA members who are a dedicated group committed to help people get a start to a more productive, independent life.

I have had the opportunity to work cooperatively with many of our local committees and commissions.

As a member of our newly formed Taylor Street Development Committee, it is to be hoped that I will be given the opportunity to see the addition of more affordable housing on our Taylor Street property. I maintain a vision for an Assisted Living Facility on our Main Street site and more affordable housing for our Gloucester families. I look forward to continue making progress for Gloucester residents as a member of the GHA.

Sincerely,

Dorothy Martins 23 Concord Street

In a town, four members shall be elected by the town; provided, that of the members originally elected at an annual town meeting, the one receiving the highest number of votes shall serve for five years, the one receiving the next highest number of votes, for two years, and the one receiving the next highest number of votes shall serve for one year; provided, that upon the initial organization of a housing or redevelopment authority, if a town so votes at an annual or special town meeting called for the purpose, four members of such an authority shall be appointed forthwith by the selectmen to serve only until the qualification of their successors, who shall be elected at the next annual town meeting as provided above.

In a city or town, one member of a housing or redevelopment authority shall be appointed by the department for an initial term of three years.

Thereafter, as the term of a member of any housing or redevelopment authority expires, his successor shall be appointed or elected, in the same manner and by the same body, for a term of five years from such expiration. If no list of names is submitted within sixty days after a vacancy occurs, the mayor shall appoint any tenant of his choosing to the authority. The mayor shall notify in writing tenant organizations as specified herein not less than ninety days prior to the expiration of the term of a tenant member. Whenever a vacancy occurs in the term of a tenant member for any reason other than the expiration of a term, the mayor shall notify in writing the tenant organizations specified herein within ten working days after the vacancy occurs. Whenever the membership of an authority is changed by appointment, election, resignation or removal, a certificate and duplicate certificate to that effect shall be promptly so filed. A certificate so filed shall be conclusive evidence of the change in membership of the authority referred to therein.

## Chapter 10: Section 58. Local and regional cultural councils

Section 58. Any city or town may establish a local cultural council and any consortium of cities and towns, with the approval of the council, may establish a regional cultural council. Local cultural councils shall consist of at least five and not more than twenty-two members to be appointed by the mayor of a city, the city manager in a city having a Plan D or E form of government, the board of selectmen of a town or the executive officer in a town having a town council form of government.

Regional cultural councils shall consist of an equal number of members to be appointed from each city or town within the consortium in the manner herein described. The regional cultural council may adopt, at its option, a proportional membership consistent with the population of each municipality; provided, however, that each municipality shall have at least one member; and provided, further, that the adoption of such option shall be by a two-thirds vote of the regional cultural council. Notwithstanding any provisions to the contrary, if the council deems it necessary or desirable in order to carry out the purposes of this section and sections fifty-six and fifty-seven, the council may certify for payment in accordance with the provisions of section fifty-six those applications for funds received from any local or regional cultural councils whose composition is determined by the council as not complying with the provisions of this section, provided that upon notice of such noncompliance, such local or regional cultural council, or its appointing authority, as the case may be, either cures such noncompliance or provides certification satisfactory to the council of how and by when such compliance will be achieved.

Members of the local and regional cultural council shall be appointed for staggered terms of three years and any such member shall not be appointed to more than two consecutive terms. Members shall have demonstrated scholarship or creativity in, or distinguished service to, the arts, humanities, or interpretive sciences.

Upon a vacancy, for any reason, the member's successor, if any, shall be appointed for a term of three years, and shall serve until the qualification of such member's successor. Members shall not be elected public officials. Members shall be considered to be special municipal employees for the purposes of chapter two hundred and sixty-eight A, any local or regional cultural council member who is authorized thereby to make disclosure to such member's city or town clerk or appointing authority, or to request a determination from such member's appointing authority, or to seek approval from the local legislative body may in lieu thereof, disclose to, or seek such approval from the council, and the council is authorized to receive such disclosure and approve such exemptions. Local and regional cultural council members shall be classified as officers for purposes of section thirteen of chapter two hundred and fifty-eight. Members shall serve without

compensation but shall be reimbursed for their expenses actually and necessarily incurred in the discharge of their duties. Local and regional cultural councils shall annually elect a chairman, secretary and treasurer.

Local and regional cultural councils may establish administrative units, but no such cultural council shall utilize more than five percent of the monies received from the State Arts Lottery Fund for administrative purposes, including member expenses.

Subject to rules, regulations, rulings or guidelines of the council, such local or regional cultural councils may decide the distribution of arts lottery funds or other funds that may be allocable to them, may also conduct other activities to promote and encourage the arts, may enter into contracts, subject to approval of town counsel or city solicitor as to form, and may do and perform any and all acts which may be necessary or desirable to carry out such powers and the purposes of sections fifty-six to fifty-eight, inclusive. Nothing in the provisions of section twenty-seven of chapter ten shall prevent a local or regional cultural council or an arts organization, or their agents or employees, from encouraging the sale of lottery tickets for the arts nor from being licensed as agents to sell lottery tickets for the arts. Notwithstanding the provisions of section fifty-three A of chapter forty-four, local and regional cultural councils may accept grants, contributions, gifts, bequests, devises, and other donations from all sources. including governmental bodies and shall deposit such monies and any other revenues, including revenues derived from local or regional cultural councils activities, in the revolving fund established under the provisions of this section. Funds received from sources other than the arts lottery fund may be disbursed at the discretion of the local or regional cultural council for the same purposes as arts lottery funds, including administrative expenses, provided, however, that the council may by rule, regulation, ruling or guideline establish further clarification of such purposes as well as procedures to assure that such funds are so used.

Re:

Proposed Fee Adjustments

FEB 18 Min

I have recently completed a survey of building, electrical and plumbing permit fees that are charged by several surrounding communities that are comparable to the City.

As a result of this survey, I have found that the City's electrical permit fees are in line with what the other communities are charging. However, I also found that both our plumbing permit and building permit fees average lower than those communities.

Therefore, I respectfully request that the following fee adjustments be included in the next Mayor's Report to City Council so the Council may address this issue at their earliest convenience.

Increase building permit fees from \$7.00 per thousand dollars of total construction cost to \$10.00 per thousand of total construction cost plus a \$50.00 application fee; and plumbing fees to be increased to \$3.00 per thousand dollars as stated on the building permit (when a building permit is issued for that particular location).

When no building permit is required the Plumbing fees would be as follows:

Residential Fees:

\$50.00 permit fee, plus

\$20.00 per fixture

Commercial Fees:

\$100.00 permit fee plus

**GLOUCESTER CITY COUNCIL 2009** 

COMMUNICATION RECEIVED: 01/20/09

NUMBER: COM-005 NUMBER OF PAGES: 1

SUBJECT: Memo from Councillor Tobey re: Request for

**Documents** 

ACTION: Refer to O&A

January 20, 2009

To: Carolyn Kirk Mayor

From: Bruce Tobey

Council President

Subject: Request for Documents

Numerous councilors have voiced their concerns to me that the Administration needs to release promptly full and unredacted versions of two documents to the council and to the community. One of those documents is the NEMLEC report on the recent investigation of events in the Gloucester Police Department, and the other is the after-incident report on the Lorraine Apartment Building fire. I hereby request that those reports be forwarded to the council for inclusion on the agenda of our January 27, 2009 meeting.

While the council's need for this information generally mirrors that of the community at large -- the necessity that we all share complete confidence that our public safety organizations are performing with complete effectiveness and integrity -- the council as the Mayor's co-equal partner in local government has an additional reason to demand the production of these reports: having just begun a comprehensive management audit of the City's public safety departments, we must have full access to any and all information regarding their operations and practices.

Insofar as the NEMLEC report is concerned, I would make one additional point: it has been reported that this report has been deemed a personnel record because the administration and the recently-disciplined officer agreed in would be so-regarded; if that is in fact the case, I challenge that designation (which unfortunately follows in the wake of a similarly-flawed approach employed in the settlement of the Lamberis case) as being ineffective to prevent its full release as a public record.

I hope you will honor this request. In the event the documents are not released, I will propose to the council at our next meeting that we consider our options under section 2-6 of the City Charter.
